To: All visiting Athletic Trainers
From: Fairleigh Dickinson University Sports Medicine Department
Subject: Services for the teams visiting the College at Florham

The Athletic Training staff at Fairleigh Dickinson University welcomes you to the College at Florham. If we can be of any assistance to you or your teams while at the College at Florham, please feel free to call and we will do our best to accommodate you.

In accordance with MAC rules, we will have a Certified Athletic Trainer at all home events. Due to the possibility of more than one game being played at the same time, we may have a student Athletic Trainer covering an event. He or she will be in radio contact with an ATC at all times if assistance is needed.

We will provide all visiting teams with water, ice, cups and emergency care supplies (splints, crutches, etc), if necessary. Please remember to send a medical kit along with your team if they need to be taped. If there is anything else you or your team may need during your visit, please do not hesitate to call.

We look forward to seeing you and hope you have a great year.

Sincerely,

Tom Wilkinson MAT, ATC Head Athletic Trainer	973-770-0772 (Home) 973-443-8967 (Work)
